

No Perfume Baby all-over wash organic 250 ml

No Perfume Baby all-over wash organic 250 ml

About the product

Babies do not need super-thorough and harsh cleaning. A little goes a long way and you can easily use the same wash for both body and hair. We have used aloe vera and glycerine in order to nurture the soft skin of your baby, and we have obviously made sure that the soft bubbles will not sting in your baby's eyes.
